### WHAT TYPES OF STORES CAN WE SET UP?

#### SCHOOL SPIRITWEAR

We'll meet (or email if preferred) to go over products, logos, how the site works, & get your site set up in no time!

#### TEACHERS & STAFF

Setup an on-going store for faculty to purchase school logo'd gear at any time. Orders can be shipped or pick it up locally at our store.

#### TEAMS & CLUBS

We'll work directly with students or a teacher to help pick products and logos. These are easy to set up and great for outfitting a group.

#### RAISING AWARENESS EVENTS

If you have an event or want to sell shirts to raise funds and awareness, our online stores are a great option.
